

## LICENSED LANDSCAPE CONTRACTORS

The following Colorado State licensed landscape contractors are familiar with the Havana Street Overlay District Ordinance, Xeriscape Plant and Tree List, and design elements and have agreed to be on this list. There may be other landscape contractors that are also familiar with the Havana Street Overlay District Ordinance of which we are unaware. These and other contractors would be willing to help individual businesses within the Havana BID by answering questions and assisting with explanation of the new ordinance. The Havana BID does not endorse or recommend any individual contractor on this list, and other licensed landscape contractors could be added to this list in the future. It is the responsibility of the individual commercial property owner to contract with and pay for any services provided by the licensed landscape contractors, as they see appropriate for their own properties.

All-Phase Landscape, Inc.
